Great for travel. Great for home.

Counter top performance in an advanced compact design. The Waterpik® Sidekick® collapses to easily fit in almost any purse or briefcase and has global voltage compatibility, making it perfect for travel. Sidekick® has been clinically proven to be more effective at removing plaque and improving gum health than brushing alone.

- Compact design is great for travel
- Global voltage compatibility
- Easy-to-hold swivel handle
- Slide pressure control
- Premium travel case included
- Limited three-year warranty
**Naturally whiten while you floss**

The perfect product for naturally whiter teeth and fresh breath, with all the benefits of water flossing. It restores your natural whiteness in just 4 weeks. The Whitening infuser technology expertly mixes water with a gentle stain removal agent that safely restores your natural whiteness, removes plaque, and promotes healthier gums.

- 10 Pressure settings (0.7 to 7.0 bar / 10 to 100 psi)
- Reservoir capacity of 90+ seconds
- On/Off water control on handle
- In-Handle Whitening Infuser
- 2 Modes – Floss Mode and Hydro-Pulse Massage Mode
- Four whitening water flosser tips included
- Includes 30 Mint Fresh Whitening Tablets
- Limited three-year warranty

**Actual Results**

Before: Accumulation of tea stains

4 weeks of Waterpik® Whitening
Dispense Waterpik® Products

Dispensing the Waterpik® Water Flosser is a great way to get an effective product in your patient’s hands quickly and get them on their way to healthier gums and teeth! Whether you plan to sell the product or include it in a treatment plan, Waterpik® offers several resources to help you be successful. Available exclusively through Dental Offices and Dental Dealers.

**Original Tofflemire® “Dead-Soft” Matrix Bands**

The micro-thin “dead-soft” band is .001 inch gauge, making it more flexible than thicker bands. For use with posterior composites, it helps create tight interproximal contact. Allows creation of ideal restoration contour without breakage or band deformation.

**Packages of 36 bands**

- 34603-6 No.1 Adult Universal .001 in (.025 mm)
- 34604-4 No.2 Adult MOD Wide .001 in (.025 mm)
- 34605-2 No.13 Pedo Universal .001 in (.025 mm)

---

**Original Tofflemire® Matrix Bands**

This surgical grade stainless steel band is carefully stamped for consistently smooth (burr free) edges that keep your patients comfortable and reduce risk of gingival trauma. Available in a variety of sizes and contours, in both .002 inch and .0015 inch thicknesses.

**No.1 Adult Universal**

- 34577-0 .002 in (.05 mm), 36 bands
- 062001-000 .002 in (.05 mm), 144 bands
- 34578-9 .0015 in (.0375 mm), 36 bands
- 062002-000 .0015 in (.0375 mm), 144 bands
- 061032-000 .0015 in (.0375 mm), 1000 bands

**No.2 Adult MOD Wide**

- 34579-7 .002 in (.05 mm), 36 bands
- 34580-0 .0015 in (.0375 mm), 36 bands

**No.3 Adult MOD Narrow**

- 34582-6 .0015 in (.0375 mm), 36 bands

**No.13 Pedo Universal**

- 34584-2 .002 in (.05 mm), 36 bands
- 34585-0 .0015 in (.0375 mm), 36 bands
- 062010-000 .0015 in (.0375 mm), 144 bands

---

**Getz® Contour Matrix Bands “Dixieland Band”**

The Getz® contoured matrix bands create anatomically contoured contacts with minimal burnishing for your best and tightest interproximal contacts. Made of high tensile strength stainless steel that will not tear under stress. Available in .002 inch regular and .0015 inch ultra-thin thickness.

**Packages of 50 bands**

- 061081-000 .002 in – Regular (.05 mm)
- 061080-000 .0015 in – Ultra-thin (.0375 mm)
Wizard Wedges® Anatomical Wood Matrix Wedges
These anatomically shaped birch wood wedges employ an exclusive multi-plane contour that firmly engages adjoining teeth to hold the matrix in position. Available in four sizes.

Bag of 100
061315-000 Assortment of sizes

Box of 400
061306-000 Small (natural)
061307-000 Medium (yellow)
061308-000 Large (purple)
061309-000 Extra large (red)
061310-000 Assortment of sizes

Wizard Wedges® Wood Matrix Wedges
These proven wedges ensure better access and stable holding of matrix systems during your critical restorative procedures. Specially crafted from birch wood for greater tooth separation and faster, better tooth position recovery upon removal. Available in four sizes.

Package of 100
061205-000 Assortment of sizes

Box of 500
061211-000 Small
061212-000 Large
061213-000 Slim Jim
061214-000 Wide Base
061215-000 Assortment of sizes

Original Tofflemire® II Retainers
Secure locking mechanism and instant release enable the Original Tofflemire® retainers to tighten and release with precise, effortless action. The clean, smooth surface is free of burrs and sharp edges that can cause gingival trauma. Easy insertion and adjustment; handles any width band. Permits accurate trimming of wider band for special anatomical needs. Contra-Angle model can be used buccally and lingually. Fully autoclavable.

Package of 1
20016453 Universal
20016455 Contra-Angle
IMPRESSION TRAYS

Tra-Tens® Impression Trays
Proven over time to be a versatile design which provides extremely accurate impressions, Tra-Tens® impression trays have a unique, fully perforated pattern that enables excellent mechanical retention. Available in nine sizes.

![Tra-Tens Impression Trays](image)

Packages of 12
- 13451-000 No.1 Small Upper
